# ENVIRONMENTAL SUSTAINABILITY

We want to leave a world that is cleaner and more sustainable for future generations.

Developing new barley varieties that can use up to

**40%  
LESS WATER**

We have reduced water usage rate across 12 major breweries by almost

**50% OVER THE  
PAST 10 YEARS**  
– the equivalent of 73 billion cans of beer

We ordered up to

**40 TESLA & 800 NIKOLA  
RENEWABLE ENERGY POWERED TRUCKS**

to reduce our carbon footprint

**99.8% RECYCLING  
RATE**

in our major U.S. breweries

**50%** of our purchased electricity comes from renewable resources

Working closely with organizations like

**enel**  
Green Power

  
KEEP AMERICA  
**BEAUTIFUL**

**PURPOSE BEYOND BREWING**
