ENVIRONMENTAL SUSTAINABILITY

We want to leave a world that is cleaner and more sustainable for future generations.

Developing new barley varieties that can use up to

**40%
LESS WATER**

We have reduced water usage rate across 12 flagship breweries by almost

**50% OVER THE
PAST 10 YEARS**
– the equivalent of 73 billion cans of beer

We ordered up to

**40 TESLA & 800 NIKOLA
RENEWABLE ENERGY POWERED TRUCKS**

to reduce our carbon footprint

ALMOST

**100% RECYCLING
RATE**

in our 12 flagship U.S. breweries

50% of our purchased electricity comes from renewable resources
